

DESCRITORES DA ÁREA TEMÁTICA 3 - NOVAS METODOLOGIAS DE DIAGNÓSTICO

Coordenador: Prof. Marcelo Lancelotti (FCF)

| Estratégia de busca 01 principal: Zika Virus Combinações possíveis: | Descritor | Estratégia de busca 02 principal: ZIKV Combinações possíveis: | Descritor | Estratégia de busca 03 principal: Aedes aegypti Combinações possíveis: | Descritor | Estratégia de busca 04 Descritor principal: Chikungunya Virus Combinações possíveis: | Estratégia de busca 05 Descritor principal: Guillain-Barre Syndrome Combinações possíveis: |
|--|------------------|--|------------------|---|------------------|---|---|
| Zika virus and RT-PCR | | ZIKV and RT-PCR | | Aedes aegypti and RT-PCR | | Chikungunya Virus and RT-PCR | Guillain-Barre Syndrome and RT-PCR |
| Zika virus and Serology | | ZIKV and Serology | | Aedes aegypti and Serology | | Chikungunya Virus and Serology | Guillain-Barre Syndrome and Serology |
| Zika virus and Clinical examination | | ZIKV and Clinical examination | | Aedes aegypti and Clinical examination | | Chikungunya Virus and Clinical examination | Guillain-Barre Syndrome and Clinical examination |
| Zika virus and Molecular methods | | ZIKV and Molecular methods | | Aedes aegypti and Molecular methods | | Chikungunya Virus and Molecular methods | Guillain-Barre Syndrome and Molecular methods |
| Zika virus and Real Time PCR | | ZIKV and Real Time PCR | | Aedes aegypti and Real Time PCR | | Chikungunya Virus and Real Time PCR | Guillain-Barre Syndrome and Real Time PCR |
| Zika virus and qRTPCR | | ZIKV and qRTPCR | | Aedes aegypti and qRTPCR | | Chikungunya Virus and qRTPCR | Guillain-Barre Syndrome and qRTPCR |
| Zika virus and Serological diagnosis | | ZIKV and Serological diagnosis | | Aedes aegypti and Serological diagnosis | | Chikungunya Virus and Serological diagnosis | Guillain-Barre Syndrome and Serological diagnosis |
| Zika virus and PCR detection | | ZIKV and PCR detection | | Aedes aegypti and PCR detection | | Chikungunya Virus and PCR detection | Guillain-Barre Syndrome and PCR detection |
| Zika virus and RNA virus | | ZIKV and RNA virus | | Aedes aegypti and RNA virus | | Chikungunya Virus and RNA virus | Guillain-Barre Syndrome and RNA virus |
